The general nature of the business of this corporation is to strive among its members to maintain and keep alive a sentiment of affection for Stetson University; to unite the graduates of successive years by a common tie of fellowship; to promote the welfare of the University; to issue magazines and periodicals and do such other acts as will disseminate information pertaining to the Association and the University among its members and to the public at large; and in every manner and means to encourage its members to promote the attendance of students at the University and to aid in such attendance financially or in labor.

The Association maintains a central office located in Elizabeth Hall, DeLand, where a full time executive secretary is employed in carrying on the general business of the corporation.

IN REGARD TO FRATERNITIES

1. It is no disgrace not to be asked to join a social fraternity.

2. Don't join a fraternity because of its age, wealth, or prominent alumni; but choose the one with the most congenial group.

3. The cost of a social fraternity averages from fifty to seventy-five dollars for initiation, and the dues rarely run over \$7.50 per month.

4. The honorary fraternities are always on the lookout for those students who win distinction in their music, dramatics, law classes, etc.

All the information concerning these fraternities was taken from Baird's Manual, the world's greatest authority on college fraternities.

If you desire further information we refer you to Baird's Manual.

ORGANIZATIONS

MUSICAL

Glee Club—The Stetson Glee Club has an enviable reputation throughout Florida where, each year, it appears in concert in the principal cities. The Fall and Spring tours make the Glee Club a popular organization to belong to. All students of the University are eligible to try out for the glee club but the soloists must be students of the Department of Music.

Orchestra—The orchestra, a complete symphony of from thirty to forty pieces, was organized to give the students the opportunity of ensemble experience. From the standpoint of the student the most important feature is the yearly trips to the principal cities of the state where concerts are given. Radio programs have been added to the activities. To the campus, the orchestra furnishes all the music for its varied activities. The dramatic department depends upon the orchestra for theatre music for all their plays.

Band—A Concert Band of forty pieces is a feature of the athletics. The band accompanies the football team to nearby games.

RELIGIOUS

The Christian Association—Meetings are held weekly in a special hall for the purpose. The young women meet on Sunday afternoon at four o'clock. Group meetings are held once a week in each of the dormitories.

The Young Women's Auxiliary—The Young Women's Auxiliary is a group of Baptist girls, which holds its meeting twice a month. It fosters

vesper services in the dormitories and in every way seeks to strengthen the spiritual life of the student body.

Baptist Student Union—The Baptist Student Union is composed of all the Baptist students enrolled in Stetson. The greater part of the work is carried on by a council which includes representatives from each religious organization on the campus, the Sunday School, B. Y. P. U., Y. W. A., and Oxford Fellowship. The council seeks to have the members join the local church and to take an active part in at least one of the religious organizations of the campus.

ATHLETICS

At Stetson athletics both for young men and young women are directly under faculty control. Ample provision is made for all forms of college sport, intercollegiate games are arranged for and careful attention is paid to the physical condition and needs of all members of the student body. Faculty Director of Athletics, Herbert Raymond McQuillan, B. S.

Women's Athletic Association—Any young woman may belong to this association whether she is interested in basket ball or ping-pong, hockey golf or golf, archery, baseball, hiking, tennis, volley ball, handball or quoits. The W. A. A. sponsors the intramural competition encouraging the participation of the many rather than the few. Points may be earned toward the college letter under the headings of Leadership, Scholarship, Sports, and Individual Activities. The W. A. A. has for its use a club room in Cummings Gymnasium.

SONGS AND CHEERS

STETSON ALMA MATER SONG

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear!

Hail to the heroes who have gone before us!
Young men and maidens, filled with true devotion!

Bright is their glory, fadeless and undying
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken!

Here once again we pledge our vows of friendship;

Brave hearts and true hearts sound aloud the chorus,

Long live our comrades dear!

Dear Alma Mater, tenderly thy children
Gather and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus
Hail, Alma Mater dear!
